PUBLIC NOTICE

May 18, 2023

After more than 40 years in business, it is with extreme heartbreak that Queen City College, LLC must announce that we are closing. Our end date is scheduled for the beginning of 2025; we are aware that the release of this information seems soon. To ensure that all our students can complete their programs of study, our acceptance of students will be affected. We will accept enrollments into the Barber and Cosmetology programs through August 1, 2023,* the Esthetics Program through May 7, 2024,* and the Nail Tech program through June 4, 2024.* We will continue to serve all our clients until further notice.

**Enrollment Dates are subject to change.*

Upcoming governmental regulations have forced us to make this gut-wrenching decision. We will be mandated to meet new, unattainable benchmarks set for traditional colleges and universities. We are a small family-owned business that averages around a hundred students and will now be compared to traditional colleges and universities, which average *tens of thousands* of students. These new required “metrics” are impossible benchmarks that we painstakingly will never be able to meet.

This decision has been, unfortunately, in the making and one that was not made half-heartedly. Our lives have revolved around Queen City College, LLC, and understanding that it is going to be gone is devastating, to say the least. We will NOT allow our amazing legacy to end by being closed by the United States Government and the Department of Education for failing to obtain DISPROPORTIONATE metrics. Queen City College, LLC did not fail; our government failed US.

We have met, taught, helped, and nurtured SO many students over the past 40 years. It is mind-blowing. We are humbled to have had the opportunity to help you along your journey into a lifetime career. We are so PROUD of each student’s individual accomplishments. We value and will cherish each one of you - your stories will be told within our family forever. THANK YOU.

We want to THANK all our loyal customers who have supported our institution and students and have become our family as well. We will MISS seeing each of you regularly.

Queen City College, LLC is a family-owned business; it is impossible to count and name all the family who have worked for us throughout our journey, not to mention the friends who have worked with us and have now become our FAMILY.

To all the government regulators trying to make “things better,” – thank you for FORCING our decision to close the most wonderful vocational school in Clarksville.

As we know, all good things must come to an end. We have had an incredible ride and want to end on the right note. While this is the most heartbreaking decision we will ever have to make, we hold our heads HIGH, knowing that we are closing on our OWN terms.

Our Founder, Ralph Payne, and his wife, Laura Payne, have given every ounce of themselves to this institution. They have worked endlessly to ensure that the mission of the institution, written by Laura Payne, “*dedicated to educating quality graduates who are able to meet both the present and future demands of the barber and beauty profession. Each student who is admitted to Queen City College, LLC receives not only individualized instruction and exposure to technical skills and equipment but also adequate opportunities for growth. Graduates are knowledgeable in all aspects of their desired program and be confident and able to fulfill all State Board requirements,*” has always been followed. Confirmation of their hard work is the many, many graduates, the successful operation of the institution for over 40 years, and the positive impact on the Clarksville area and surrounding communities.

QUEEN CITY COLLEGE, LLC HISTORY

Ralph Payne, a noted barber and leading salon owner in Clarksville, TN, realized the need for better vocational training in the field of Cosmetology when he was continually dissatisfied with the quality of education displayed by his new employees. Mr. Payne founded Queen City Hair College on March 5, 1984, to correct the current vocational training flaws. Mr. Payne married Laura McNamara on May 10, 1985. At that time, Laura was named Chief Administrator of Queen City Hair College; she had been employed there since its opening in 1984.

Although the city of Clarksville already had one private cosmetology school, Mr. Payne felt he could succeed by hiring a professionally trained staff and implementing quality education.

Queen City Hair College became an affiliate of the Southern Association of Colleges and Schools Commission on Occupational Education Institutions in December 1986.

In May 1990, the school's name changed from Queen City Hair College to Queen City College. The Barber Program was added to the curriculum in February of 1994. Over the last few years, several programs have been added under the Cosmetology Board, including Esthetics and Nail Tech.

In 1995, The Commission of Occupational Education Institutions split from the Southern Association of Colleges and Schools to become a free-standing accrediting agency. The name is now Council on Occupational Education.

In January 2017, Mrs. Payne retired from the Chief Administrator position; Brandie Gross, the Payne's daughter, was named her successor. Mrs. Gross has been employed with Queen City College since November 2009. On August 1, 2019, the school's name was changed from Queen City College to Queen City College, LLC, when Brandie Gross joined her father as an owner of the school.

ENROLLMENT AGREEMENT CONDITIONS

The enrollment agreement, if accepted by the school, becomes an agreement that states all of the conditions of enrollment and is not subject to alteration or cancellation except as follows:

1. If the school rejects the agreement, the applicant will be notified, and any down payment monies paid will be refunded.
2. If a student or the parent or guardian of a student under eighteen (18) years of age cancels their enrollment in writing within three (3) business days of signing the agreement and prior to entering classes. A refund of any down payment or tuition monies will be provided.
3. If a student cancels enrollment after three (3) business days of signing but prior to entering classes, they are entitled to all monies paid to the school, less one-half of the administrative fee of one hundred dollars (\$100.00).
4. If a student fails to complete the course of training and has requested a withdrawal from the school either in writing or in person, the school will refund all monies paid by the student in excess of the student's obligation.

A student who has completed the first seven hundred fifty (750) hours must pay the full tuition per contract terms.

ATTENDANCE REQUIREMENTS

1. **Five (5) unauthorized/unexcused tardies or absences in a calendar month** will constitute a student suspension. The Instructor and/or Administrator determines the length of any suspension(s), and will be from one (1) to thirty (30) days. Habitual offenders will be subject to permanent expulsion. ***You are not permitted to make up suspension hours.***
2. After two (2) interruptions in training, a student cannot re-enter school.
3. Authorized absences occur when a student is absent for reasons beyond their control, such as personal sickness, death, or accident of a student's immediate family member, or at the Administrator's discretion. After three (3) days of absence, a doctor's note may be required. After fourteen (14) consecutive ***calendar days*** of absences, a student will be expelled. A student may re-apply for re-entry after a period of no less than one hundred eighty (180) days. ***Eight percent (8%) of your contracted hours are allotted for absence; once the eight percent (8%) is exceeded, an hourly tuition charge of \$10.50 for each additional hour missed, excused, or unexcused, including suspensions, will be billed to the student.***
4. Documentation on tardiness and absences will be required for those students who are continually tardy or absent.
5. The actual time a student is in school will be maintained: with tardies accumulated at the end of each week. Hours for attendance and graduation will be determined solely by accumulated time on the time clock sheets.
6. Students who will be absent and/or tardy without advance notice are ***required*** to call the school at (931) 645-2361 and leave a message with the receptionist or a voicemail and/or use proper notification procedures via Facebook or Instagram by sending a direct message before 9:30am (day class) or 4:00pm (night class). If a phone call or proper notification is **NOT** received by 9:30am (day class) or 4:00pm (night class), the absence and/or tardy is counted as unexcused and cannot be made up.

LANGUAGE POLICY

The English language is required to be used by all students while on the clinic floor or working with clients. Tennessee Board of Cosmetology and Barbering Examiners contracted PSI to administer the theory exam and allow you to take the exam in English, Spanish, and Vietnamese languages. Tennessee State Board of Cosmetology and Barbering Examiners contracted PSI to administer the practical exam; however, this exam is given in the English language only.

CHANGE OF ENROLLMENT AGREEMENT POLICY

Students who need to make **ANY** changes to their original signed enrollment agreement may execute a change of enrollment agreement form. Changes may include (but are not limited to) schedule, kit, and/or hours.

There is a two hundred fifty-dollar (\$250.00) change of enrollment agreement fee, which must be paid in full at the time of the request. Changes to hours will then become effective on the first (1st) Tuesday of the following month unless pre-approved by the Chief Administrator. According to the suspension policy, a student not making satisfactory progress at the effective date of the new enrollment agreement will be ineligible for federal financial aid funds.

Even though a change of enrollment agreement has been made, no changes are made to the satisfactory progress policy. Executing a change enrollment agreement is not an opportunity to start satisfactory progress guidelines over, nor does it relieve the satisfactory progress status of a student prior to the change.

LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to a specific time period during an ongoing program where a student is not in academic attendance due to a temporary interruption in training for emergencies or hardships for financial or health reasons only. The approval of a LOA will be left to the discretion of the Chief Administrator.

A LOA will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence without any penalty to the student.

The LOA must be requested in advance in writing with the date, the reason for the LOA, and your signature. You must verify that your request has been approved before taking the LOA. To approve a LOA, there must be the expectation that the student will be returning to school. Any balance owed to the school up to the request point must be paid before the leave will be approved. In special circumstances, the school may authorize a LOA in the case of an emergency, such as an automobile accident or other medical emergency, that would prevent the student from requesting the LOA in advance. In such an event, the first day of the student's LOA will be established on the first date it has been determined that the student cannot attend class due to the situation.

The minimum timeframe for a LOA is fourteen (14) days and must not exceed thirty (30) days during a twelve (12) month period; this includes unscheduled days of attendance, weekends, holidays, and school closings; the school may permit more than one (1) LOA; however, *the total number of days of all combined LOA's cannot exceed thirty (30) days in a twelve (12) month period.*

Students failing to return from a LOA on the documented return date will be considered to have withdrawn from their program as of the date the student began the LOA; the withdrawal date for the purpose of calculating a refund is the student's last date of attendance. Students withdrawing from a program before completion and requesting re-enrollment, if approved, will return in the same Satisfactory Academic Progress status they withdrew in. A student may re-apply for re-entry after a period of no less than one hundred eighty (180) days.

FINANCIAL AID PROGRAMS/FINANCIAL AID POLICY

Queen City College, LLC aims to provide every eligible student with the financial assistance necessary to attend the college. Queen City College, LLC operates on a CLOCK HOUR basis and defines its academic year as nine hundred (900) clock hours. All financial aid is awarded strictly on the basis of need, as determined by the Department of Education, regardless of race, color, religion, national origin, sex, sexual orientation, gender identity, gender expression, parental status, marital status, age, disability, citizenship status, veteran status, or genetic information of the applicant. In determining the need for financial assistance, the financial aid officer is guided by estimating each student's expenses for tuition, books, kits, room and board, transportation, and personal expenses. All financial aid budgets can be reviewed in the office of the financial aid officer at the student's request.

All balances must be paid in full by the time the student reaches the final one hundred (100) hours of their scheduled enrollment agreement, regardless of the payment method, or the student will be suspended until the total balance is paid.

A. Pell Grants

The Pell Grant is an entitlement each high school graduate or GED holder is entitled by law to apply for. A grant is to help defray the cost of post-secondary education. It is awarded on a student-by-student basis.

The Pell Grant award will depend upon the amount of family contribution from the student's parent(s) or own resources as determined by the Department of Education and the amount of money appropriated by Congress to fund the Pell Grant program.

Apply online at WWW.STUDENTAID.GOV and use our school code **017068**.

B. Direct Student Loans

Student loans are LOANS from the Federal Government, including origination fees, and must be repaid-with interest. Prospective students may apply online at WWW.STUDENTAID.GOV. You must complete the undergraduate Subsidized and Unsubsidized counseling and the Master Promissory Note (MPN). We offer Subsidized, Unsubsidized, and Plus loans for parents. As with the Pell Grant, Title IV funding is based on eligibility requirements that apply to all Federal Student Aid (FSA) programs.

Failure to complete your contracted program does not release a student from liability toward repayment of any student loans obtained to attend school.

Failure to repay student loans (loan default) WILL result in penalties and fees and negative credit bureau reporting but could also lead to ... wage garnishment, bank levies, tax liens, loss of State driver's license, and PROFESSIONAL license! PLEASE - Do NOT ignore your student loans!

C. Cash Installment Payments

All students are eligible for interest-free monthly cash payments toward their tuition. Payments may be extended over the length of the student's program, with the total balance paid **prior** to the student's final one hundred (100) clock hours. Students are required to sign an installment note* (*labeled "Student Loan" per TN Code § 49-7-2015 (2017)), and payments are due monthly as indicated on the student's signed enrollment agreement. Students are expected to make prompt monthly payments. QCC, LLC extends students a five (5) day grace period; if scheduled monthly payments are not received, a late fee may be assessed according to the plans, terms, and conditions. If an account becomes delinquent, the student will be suspended until all payments are made current or the total balance is paid in full.

Payments made in any form other than cash (check, money order, and/or credit card) will have a fourteen (14) day hold placed to verify payment clearance. There will be thirty-five dollars (\$35.00) return check fee assessed to the student ledger for returned checks. Queen City College, LLC reserves the right to refuse to accept any form of payment other than cash after two (2) returned checks.

D. MyCAA

The Military Spouse Career Advancement Accounts Program (MyCAA) is a career development and employment assistance program sponsored by the Department of Defense (DOD). POLICIES AND PROCEDURES FOR VERIFICATION

QCC, LLC has developed the following Policies and Procedures regarding the verification of information provided by applicants for federal aid under the Title IV Programs.

1. All students will be notified verbally and/or in writing if they have been selected for verification within two (2) weeks of the school's notification of student selection. The student will be notified of the supporting documentation required to be submitted to complete the verification process.
2. The school will use the most recent verification guide supplied by the Department of Education as its reference. QCC, LLC will assist the student in correcting any inaccurate information; however, the student is required to complete verification before the institution exercises any authority under section 479A(a) of the HEA to make changes to the applicant's cost of attendance or to the values of the data items required to calculate the expected family contribution (EFC).
3. Students selected for verification will be required to submit all required and/or requested supporting documentation within thirty (30) days of notification. Failure to provide the required and/or requested supporting documentation will result in the suspension of the student until verification can be completed. In the interim, the student must make arrangements with the school for payment of all balances due or risk termination at the option of the school.
4. The school will notify the student verbally and/or in writing within two (2) weeks of any changes to the student's proposed award amount based on changes to the expected family contribution (EFC) due to verification.

If a student is referred, *NO financial aid will be requested or disbursed to the student.*

No Title IV funding will be requested or disbursed prior to the completion of verification.

SATISFACTORY PROGRESS POLICY

The Satisfactory Academic Progress Policy (SAP) is consistently applied to all Queen City College, LLC students. To receive and retain Financial Aid, a student must meet the SAP requirements, maintain a specified grade point average, achieve a specified number of hours monthly, and proceed through their program of enrollment in the specified timeframe. SAP is determined by measuring the student's Grade Point Average (GPA) and the student's rate of progress toward completion of their enrolled academic program at the end of each evaluation period. Evaluations are maintained in the student's file.

EVALUATION PERIODS

Students are evaluated for satisfactory progress based on their program of enrollment. This evaluation will determine if the minimum requirements for Satisfactory Academic Progress have been met. The frequencies of evaluations provide sufficient opportunity for students to meet both attendance and academic progress requirements of at least one evaluation by the midpoint of program enrollment.

Program	Evaluation Periods
Cosmetology Program	450, 900, 1200 completed clock hours
Barber Program	450, 900, 1200 completed clock hours
Esthetics Program	375 completed clock hours
Nail Tech Program	300 completed clock hours

ATTENDANCE PROGRESS EVALUATIONS

To maintain satisfactory attendance progress, the minimum amount of monthly hours a student may attend will be calculated at sixty-seven percent (67.00%) of the monthly contracted hours*; these hours will be monitored and recorded monthly. At the end of each three-month segment, a student's attendance for previous hours completed will be evaluated to determine if the student has met the attendance requirements.

The attendance percentage is calculated by dividing the number of hours a student completed/received by the number of hours a student was scheduled (Example: Tony was SCHEDULED to attend one hundred fifty (150.00) hours in June but only ATTENDED ninety (90.00) hours, Tony's attendance percentage for June is sixty percent (60%)) Students who continue the same rate of attendance and maintain at least a sixty-seven percent (67.00%) cumulative attendance at the end of **every** evaluation period are anticipated to graduate from their program of enrollment within the maximum timeframe allowed.

** To maintain satisfactory attendance progress for VA Education Benefits, the minimum amount of monthly hours a VA student may attend will be calculated at seventy-five percent (75.00%) of the monthly contracted hours; these hours will be monitored and recorded monthly.*

MAXIMUM TIMEFRAME

Students must progress at the rate listed in the table below for SAP to remain eligible and continue enrollment. The MAXIMUM timeframe is a period equal to 1.5 times (or 150%) the number of hours required by the program of enrollment. When the maximum time requirements have been exceeded, eligibility for financial aid and continued enrollment will be terminated. The maximum time allowed for students to complete a program at satisfactory progress is stated below:

Program	Standard Hours	Maximum Hours	Schedule	Weeks
Cosmetology Program	1500 clock hours	2250 clock hours	Full Time, 40 hrs/wk	57 weeks
Cosmetology Program	1500 clock hours	2250 clock hours	Full Time, 35 hrs/wk	65 weeks

Nail Tech Program	600 clock hours	900 clock hours	Full Time, 24 hrs/wk	38 weeks

The maximum time for students transferring hours from another school, needing less than fifty percent (50%) of the full program requirements, will be based on sixty-seven percent (67.00%) of scheduled hours.

GRADE POINT AVERAGE (GPA)

The qualitative element used to determine academic progress is a reasonable system of grades as determined by Queen City College, LLC. Students must receive a passing test score in each academic theory chapter as a requirement for completion in their program of enrollment. Additionally, students receive a practical grade. This grade is a combined evaluation of a student's practical work on the clinic floor work, completion of mandate sheets, sanitation duties, and completed record of monthly hour worksheets. Students must maintain a combined GPA of seventy percent (70.00%); this is calculated monthly. Students are required to make up failed, missed tests and/or incomplete assignments. Numerical grades are assigned using the following scale:

Excellent	100-93
Very Good	92-85
Satisfactory	84-70
Failure	69 and Below

ACADEMIC GRADING

QCC, LLC will record and retain grades regarding the student's progress in their course. A progress report will be issued to the student monthly. Tests are administered at the end of each chapter. Re-take or missed tests are administered on Wednesdays only. Students will be given thirty (30) days to make up missed exams. Refusal to take a test will result in the student being sent home. A passing score in each chapter is a requirement to complete all programs of enrollment. If you have completed the contracted hours, you must continue to attend school, per your contract, if you have not passed or taken **ALL** of your theory tests. If your monthly grade point average (GPA) falls below the requirement, **ALL** clock hours achieved that month will not be sent to the state board. Once you bring your GPA back up to the standard, your hours will be sent to the state board.

PRACTICAL GRADING STANDARDS

Practical work and the quality, speed, and professional approach to the work are evaluated regularly. Students are required to maintain notebooks for; self-study and theory, completed mandates and sanitation duties, and **MUST** attend scheduled theory classes. Students are expected to maintain a passing grade of seventy percent (70%) in all phases of their work. If the student's grades do not improve, the student may be terminated for academic reasons. VA students who do not improve their grades will be terminated from the VA program. All educational benefits will be suspended until a passing grade of seventy percent (70%) in all phases of their work has been achieved.

SANITATION POLICY

Students are required to keep their work areas clean. This includes hair on the floor, station area, chair, locker, kit, classroom(s), breakroom(s), practice area, and shampoo area. Kits must be fully equipped, sanitized with formalin, and ready for inspection at all times. The industry requirements regarding sanitation are taught in each program at Queen City College, LLC. Each student receives a sanitation grade in their monthly grade point average (GPA). In accordance with the curriculum, students are responsible for helping maintain clean and sanitary conditions in the school. Therefore, daily cleanup duties are assigned. Cleanup must be completed and checked by an instructor before leaving each day. Students are also responsible for keeping their own station area clean. **Any student refusing their assigned clean-up duty will receive a ZERO (0%) grade on their monthly grade point average (GPA) in the following areas: Sanitation, Cooperation, and Conduct. Receiving a zero (0%) grade in these three (3) categories WILL result in an overall FAILING grade point average (GPA) for that month,** regardless of your grades in the remaining six (6) categories. Failing monthly GPAs WILL result in your hours not being sent to the State Board for that month and could affect both your Financial Aid eligibility and/or your Veteran's Educational Benefits.

DETERMINATION OF SATISFACTORY PROGRESS STATUS

Students meeting the minimum academic and attendance requirements during the evaluation period are determined to be making Satisfactory Academic Progress until the next evaluation period. Students deemed not maintaining Satisfactory Academic Progress may lose Title IV eligibility unless the student is on satisfactory progress warning or has an approved appeal producing a probation status.

SATISFACTORY PROGRESS WARNING

A student failing to meet the minimum requirements for attendance and/or academic progress is placed on Satisfactory Progress Warning and considered to have made satisfactory progress during the warning period, remaining eligible for financial aid. The student will be advised in writing the required actions necessary to regain Satisfactory Academic Progress by the next evaluation period. If the student has not met both the attendance and academic requirements at the end of the warning period, they may be placed on probation and, if applicable, found ineligible to receive Title IV funding.

SATISFACTORY PROGRESS PROBATION

A student's continued failure to meet the minimum attendance and/or academic progress requirements after the warning period may be placed on Satisfactory Progress Probation for one (1) month, remaining eligible for financial aid. The student will be advised in writing the expected actions necessary during the probationary period to attain Satisfactory Academic Progress. If, at the end of the probationary period, the student still has not met both attendance and academic requirements, it will be decided that the student is NOT making Satisfactory Academic Progress resulting in, if applicable, suspension of Title IV funding.

SATISFACTORY PROGRESS SUSPENSION APPEAL PROCEDURE

Students may appeal the determination of unsatisfactory progress and suspension of financial aid within fourteen (14) days of the decision if there are extenuating circumstances. Appeals are only considered if the reasons preventing the successful academic process are serious and compelling.

The student must submit the written appeal to the Financial Aid Officer on the proper form; supporting documentation is required. The documentation from the student must explain the nature and timing of the circumstances, how the circumstances prevented the student from meeting the standards, and how the circumstances have now been resolved to allow the student to meet the SAP requirements again.

Upon receipt, the Financial Aid Officer will have forty-eight (48) hours to review appeals and render a decision. Students are notified of the outcome of their appeal in writing.

Students who are not satisfied with the initial decision of their appeal have fourteen (14) days to request their appeal be reviewed by the Appeals Committee. This committee consists of the Chief Administrator, the Director of Admissions, and a member of QCC, LLC's Instructional Staff.

Upon receipt, the Appeals Committee will have forty-eight (48) hours to review both the appeal filed by the student and the decision rendered by the Financial Aid Officer and render a decision. Students are notified of the outcome of their appeal in writing. The decision of the Appeals Board is FINAL.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS

Re-establishment of Satisfactory Progress and/or Title IV funding by a student is obtained by meeting minimum attendance and academic requirements prior to the end of the student's probationary period.

TRANSFER HOURS/SAP EVALUATION

Transfer clock hours completed at another school and accepted by QCC, LLC will count in the Satisfactory Academic Policy evaluation as clock hours attempted and earned when calculating a student's maximum time frame. SAP evaluation periods are based on actual contracted hours at QCC, LLC, and do not include transfer hours.

NONCREDIT AND/OR REMEDIAL COURSES

Noncredit and remedial courses do not apply at QCC, LLC, and have no effect on our satisfactory progress standards.

OFFICIAL AND UNOFFICIAL WITHDRAWAL POLICY

Students demonstrate their intent to officially withdraw from a program by completing a withdrawal form available in either the Admissions or Financial Aid office. The withdrawal is effective immediately upon receipt of the request. The official notification date is considered the withdrawal date for calculating possible refund of institutional charges.

A student will be unofficially withdrawn from a program after incurring fourteen (14) consecutive calendar absences from class when they do not provide official notification of withdrawal, as described above.

For any student who withdraws (officially or unofficially) from a program, the student's last date of attendance, as evidenced by attendance records, is the withdrawal date used to determine the amount of earned and unearned financial aid for both official and unofficial withdrawals.

Students **withdrawing** from their program before completion will NOT receive total benefit hour allowances for their program; instead, a *pro-rated number of Hours Allowed for Absences* based on eight percent (8%) of the number of scheduled hours at the withdrawal date; please see our Financial Aid Office for further information.

Failure to complete your contracted program does not release a student from liability toward repayment of any student loans obtained to attend school.

APPLICATION FOR RE-ADMISSION

Students who wish to re-enroll at Queen City College, LLC after termination or withdraw must apply to the Chief Administrator for re-admission after a period of no less than one hundred eighty (180) days; if accepted, they will re-enter in the same Satisfactory Academic/Attendance progress as when they withdrew. Any student who withdraws their enrollment (or is terminated) for a second (2nd) time will have all future applications for enrollment denied*.

**Students with extenuating circumstances MAY be re-enrolled at the discretion of the Chief Administrator.*

REVIEW BOARD POLICY

Queen City College, LLC's Review Board was established to provide an independent review of disciplinary decisions affecting a student's enrollment status, including suspensions, temporary expulsions, and permanent expulsions. The Review Board is usually composed of five (5) members and holds hearings at which the applicant may attend a portion of.

Application

If a student feels they are the subject of unfair disciplinary action(s), an application to have their circumstances considered by the Review Board may be submitted.

Application submissions permit all members of the Review Board access to any and all student file information relevant to their enrollment status, including, but not limited to, prior counseling forms, disciplinary issues with other Instructors/Staff, notes in student file, student ledger/financial information, medical and/or mental health information, and/or prior enrollment information.

Access to this information will assist the Review Board in evaluating the student's entire enrollment history, not just the currently disputed disciplinary action(s).

All applications for review **must** be submitted within forty-eight (48) hours of the start of the disciplinary action to the Chief Administrator **via email** (qcc1594@gmail.com) and include the following:

- Student full name;

- Detailed description of the event(s) that occurred;
- Names of Instructors, Staff, and/or witnesses involved; and
- Any other pertinent information.

A Review Board hearing date will be set within seven (7) business days of application receipt by the Chief Administrator. The student will be notified by mail of the Review Board hearing date.

QCC, LLC's policy on suspended and/or expelled students is that the student(s) is **NOT** permitted on QCC, LLC property. Violation of this **WILL** result in the *filing of trespassing charges*; in light of this policy, the student will be provided a specific date and time to arrive for their portion of the Review Board hearing.

Communication

There will be NO verbal and/or electronic communications about the disciplinary action(s), application, hearing date, Review Board decision, and/or any other matters surrounding this situation between any member of Queen City College, LLC Administration or Staff and/or the student. Additionally, there will be no verbal and/or electronic communications with anyone else on a student's behalf.

Notification

The student will be notified by mail of the Review Board's decision within thirty (30) days of the hearing date. **All decisions are final.**

NOTICE OF CONFIDENTIALITY

All Review Board communications, including but not limited to application requests, hearing date(s), hearing time(s), Review Board members, interviews, and Review Board decisions, are to be kept confidential. Any student violating these terms will; (1) Have their application request refused, (2) Null and void any decision(s) previously made by the Review Board, (3) Reinstatement of original disciplinary action(s), and (4) Be subject to additional disciplinary action(s).

REFUND POLICY

1. Any student or, in the case of a student under eighteen (18) years old, a parent or guardian may cancel a student's enrollment in writing or in person within three (3) business days after an enrollment agreement has been signed. If the student has not entered class, all monies collected by the school up to that point shall be refunded.
2. Any student, or in the case of a student who is under the age of eighteen (18) years old, a parent or guardian who cancels enrollment prior to entering class but after three (3) business days following initial enrollment, is entitled to a refund of all monies paid to that point except for one hundred (\$100.00) of the non-refundable administrative fee.
3. A student who terminates their education for any reason after classes have begun and is not using financial aid is entitled to a refund based upon the schedule of tuition adjustment.
4. A student who terminates their education for any reason after classes have begun and has received financial aid will have any aid returned to the Department of Education up to the amount of financial aid received and earned based on the return to Title IV calculation developed by the Department of Education, and based upon the schedule of tuition adjustment.
5. Attendance time is defined as the time elapsed between the actual start date and the date the student terminates enrollment. The termination date is considered the last day the student physically attended school.
6. An applicant rejected by the school shall be entitled to a refund of all monies paid to the school.
7. All refunds due to the student will be paid within thirty (30) days.
8. Account credits and/or refunds due as a result of payment(s) made by a third party (another person/institution) will be paid to the person/institution* paying the tuition, NOT THE STUDENT. *Certain Chapters of Veteran's Educational Benefits are exempt from this policy.
9. If the Institution permanently closes, no longer offering instruction after a student enrolled and the program began, the Institution will provide a pro-rated tuition refund to the student.

REFUND TABLE

If termination occurs during or after the first day of class but prior to program completion, the following refund table will be used:

Percent of Scheduled Time Enrolled to Total Program	Amount of Tuition* Owed to The School
0.01% - 10.00%	10%
10.01% - 25.00%	50%
25.01% - 50.00%	75%
50.01% and over	100%

**The amount of tuition owed to the school is in ADDITION to the following non-refundable/non-returnable charges: administrative and lab fees, smock, books, badge, book bag, student kit†, and any additional student ledger charges. † if purchased through the institution*

MILITARY TUITION ASSISTANCE REFUND POLICY

Military Tuition Assistance Recipients Military Tuition Assistance (TA) is awarded to a student, assuming that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the total amount of TA funds initially awarded. To comply with the U.S. Department of Defense policy, Queen City College, LLC will return any unearned TA funds on a proportional basis through at least a 60% portion of the period for which the funds were provided. If a service member stops attending due to a military service obligation, Queen City College, LLC will work with that service member to identify solutions that will not result in student debt for the returned portion.

Withdrawals: A student's official withdrawal date is used as the last date of attendance to calculate the earned percentage of TA. A student's official withdrawal date is determined by using the last date of attendance that is documented and submitted to the Financial Aid Office. Once the last date of attendance has been determined, Financial Aid Officer will recalculate a student's TA eligibility based on the following formula:

$$\text{Number of Hours Completed} \div \text{Total Hours of the Program} = \text{Percent of TA earned}$$

The amount of TA funding that is earned is determined on a pro-rata basis. For example, if a student completed 30% of the course, they earned 30% of the TA funds they were initially scheduled to receive; in turn, this portion will be retained by Queen City College, LLC and paid toward the student's balance. The remainder of the unearned funds (70%) would be returned to the TA program. If this results in an unpaid tuition balance, payment would be the student's responsibility. Once a student has attended at least 60% of the period for which TA funds were approved, the student is considered to have earned 100% of the TA funds. Please see the Military Tuition Assistance refund schedule for exact refund percentages based on completed clock hours.

ADDITIONAL CHARGES

Excessive absences interrupt program curriculums, extend graduation time, and may jeopardize a student's Title IV eligibility. Queen City College, LLC allows enrollees a specific number of hours for absences, at no charge, which is equal to eight percent (8%) of the contracted clock hours of the program of enrollment; once these hours are exceeded, an overtime/late charge of ten dollars and fifty cents (\$10.50) ***per additional hour missed***, is added to tuition costs. ***You are not permitted to make up suspension hours.*** Suspension hours are consequently deducted from the 8% of contracted hours allowed to be missed.

Program of Enrollment*	Program Length*	# of Hours Allowed for Absences* (8%)	Additional Absences Charge* (PER HOUR)
Barber Program	1500 Clock Hours	120 Clock Hours	\$10.50 Per Additional Hour
Cos to Barber Program	300 Clock Hours	24 Clock Hours	\$10.50 Per Additional Hour
Cosmetology Program	1500 Clock Hours	120 Clock Hours	\$10.50 Per Additional Hour
Barber to Cos Program	300 Clock Hours	24 Clock Hours	\$10.50 Per Additional Hour
Esthetics Program	700 Clock Hours	60 Clock Hours	\$10.50 Per Additional Hour
Nail Tech Program	600 Clock Hours	48 Clock Hours	\$10.50 Per Additional Hour
Cosmetology Instructor	300 Clock Hours	24 Clock Hours	\$10.50 Per Additional Hour
Barber Instructor	300 Clock Hours	24 Clock Hours	\$10.50 Per Additional Hour

*NOTE: Enrollments in programs for less than the above-stated clock hours will have a ***pro-rated number of Hours Allowed for Absences*** based on the actual number of clock hours contracted; please see our Admissions Department for further information.

WITHDRAW STUDENTS: Students **withdrawing** from their program ***prior to program completion*** are **NOT** entitled to receive the full benefit of eight percent (8%) of absence hour allowances for their program as indicated on their enrollment agreement. Students will receive a ***pro-rated number of absent hours*** based on total scheduled hours; please see our Financial Aid Office for further information.

All balances must be paid in full by the time the student reaches the final one hundred (100) hours of their scheduled contract, regardless of payment method, or the student will be suspended until balances are paid.

MAKEUP HOURS/ MAKEUP TESTS

Queen City College, LLC provides students the opportunity to make up clock hours missed due to absence(s). This privilege is extended to assist those who may be in jeopardy of not meeting satisfactory progress requirements for attendance, the opportunity to meet those requirements, and/or students who have exceeded the number of allowed absences on their contract with the opportunity to avoid excessive/additional overtime/late charges. Day-scheduled students must stay after their contracted schedule to make up time. Night-scheduled students must come in before their contracted schedule to make up time. Makeup time is offered on Saturdays, but the students must be clocked in by 8:00am to receive credit for time. Further information and requirements will be discussed during enrollment and orientation. **You are not permitted to make up suspension hours**. Suspension hours are consequently deducted from the 8% of contracted hours allowed to be missed.

Tests are given at the end of each chapter. A student's refusal to take a test will result in the student being sent home. It is the student's responsibility to schedule make-up and/or missed test(s). Makeup tests are administered on Wednesdays *ONLY*. Missing multiple tests and failure to take missed tests WILL have a negative effect on a student's GPA; students failing to meet satisfactory academic progress risk the loss of Title IV eligibility. Additionally, if a student fails a test or would like to improve their test score, but they can retake those tests on makeup test day. The specific procedures/policies for both make-up hours and tests will be reviewed during orientation.

The student must provide recent supporting documentation of the disability from a Physician. The documentation should include a diagnosis of the disability (or disabilities), the educational limitations caused by the disability, and the recommended accommodations.

To assess what academic adjustment is required, the student must inform the ADA Compliance Coordinator of their accommodation request. After proper documentation has been received, the Coordinator will review the documentation, meet with the student to discuss the requested accommodations, and determine what information (on an "as-needed basis") needs to be shared with Staff to facilitate accommodations.

Please note that although our focus always remains on helping all students at Queen City College, LLC, the school is not obligated to provide accommodations that would fundamentally alter our programs. Additionally, Queen City College, LLC is not obligated to provide accommodations that would result in undue financial or administrative burdens.

SEXUAL HARASSMENT

It is unlawful to harass a person because of that person's sex. Harassment can include "sexual harassment" or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature.

Harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person's sex. For example, it is illegal to harass a woman by making offensive comments about women in general. The victim and the harasser can be either a woman or a man, and the victim and harasser can be of the same sex.

Sexual harassment can be verbal (comments about your body, spreading sexual rumors, sexual remarks or accusations, dirty jokes or stories), physical (grabbing, rubbing, flashing or mooning, touching, pinching in a sexual way, sexual assault) or visual (display of naked pictures or sex-related objects, obscene gestures). Sexual harassers can be fellow students, teachers, and other school officials.

The Federal courts and the Office for Civil Rights (OCR) of the United States Department of Education (ED) recognize forms of unlawful sexual harassment in education.

Although the law doesn't prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive school environment. Hostile-environment harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature by an employee, another student, or a third party.

Queen City College, LLC does not tolerate sexual harassment. Participating in sexual harassment will result in appropriate disciplinary action. Policy and procedures are in place to investigate any sexual harassment claims. Queen City College, LLC will make every effort to maintain the confidentiality of all parties involved.

All employees of Queen City College, LLC are required to immediately report any known sexual harassment to the Chief Administrator; failure to do so could result in disciplinary action. Person(s) engaging in retaliatory behavior against the person(s) filing a complaint (or a witness to a complaint) are subject to disciplinary actions. Person(s) intentionally filing (or corroborating) false allegations will be subjected to appropriate disciplinary action.

Anyone affected by sexual harassment and/or assault, whether it happened to you or someone you care about, can find support by contacting the National Sexual Assault Hotline at 1-800-656-4673.

A Winner's Creed

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but think you can't,
It's almost a cinch you won't.

If you think you'll lose, you've lost;
For out in the world, we find
Success begins with a person's will,
It's all in the state of mind.

Life's battles don't always go
To the stronger or faster hand;
But sooner or later the person who wins
Is the one who thinks "I Can."
